Lt Col. A. W. Robin. C. B.

Officer Commanding the Dist. Otago.
Sir,

In Re. Memo from Headquarters,
Wellington 4th Nov. 1907. II C 514.
received by me this day -

And in Re 1633. Corp. A Goodman.
Who was examined by Dr Ogston on Oct 23rd -
and recommended to go to Rotorna -

I have the honor to inform you
that I accept the responsibility of sending
1633. Corp. A. Goodman to Dr Ogston
as the only method left open to me -

And also under the instructions
given to me by the Rt Hon the Premier,
The Hon Minister for Defence.

Instructions which have not been
cancelled. (Telegrams July 11th & 12th 1907)

As a matter of fact. I was anxious
to send Corp. Goodman to Rotorna long
ago - as he was getting worse in this
climate -

When the Medical Boards were
stopped he and others were delayed -
I was helpless -

Dr Ogston agreed & reported -

The unnecessary delay can only
accentuate illness & prolong it -

On a separate sheet I attach details
of 1633 Corp. Goodman's Medical History -

I have the honor to remain.

impaired — and hoping that change of
climate & home nursing & Medical treatment
would be sufficient — recommended Two
Months Sick Furlough.

16.9.07. Was reexamined by a Medical Board.
who found & reported that he "Still suffers
from Laryngeal & Bronchial Catarrh (& adds)
there is still crepitation at the base of the

The Board recommended an extension
of 3 months leave — and treatment as
an out patient in Bournemouth Hospital.

Was treated as an outpatient in
Bournemouth Hospital —

And on Oct. 23rd was sent to Dr. Ogston.
who confirmed my opinion viz that he
should be sent to Rostova — without delay.

There has already been enough delay —
